PROBLEM

- ▶ Money simple put. Access to capital for the African-American community to raise funds to build out a company in the United States is still super hard to do.
- ▶ BIPOC inventors face huge headwinds in taking their thoughts and making them into reality.

SOLUTION

- ▶ Link existing associations and organization that operate in silos. Bringing together; Inventors, Angels, Founders, Policy Makers and Manufacturers.
- ▶ NABI external goal is to create the financial ecosphere for founders; MVP, Friends & Family, Pre-Seed, Seed and A round all the way through IPO.
