DIVERSITY PLEDGE

Rockford Construction respects and values the characteristics, talents, and perspectives that make each person unique.

We believe that by bringing diverse individuals together, we can more effectively collaborate, innovate, and solve the problems that face our world.

We are committed to creating and fostering a team, partners, and strategies that reflect this purpose.

PREQUALIFICATION

- Maintenance of an extensive database
- Review trade contractors' capabilities, safety records, references, and Dunn and Bradstreet reports
- Developed practices ensuring all trade contractors have the opportunity to bid

WHERE WE'RE GOING

- Work collaboratively with trades as teams
- Respect of trade contractors
- Workforce development

Thank you!
