HISTORY

Wolverine Building Group is a dynamic construction company seeking enthusiastic candidates to add to our team. We have specialized divisions for health care, higher education, multi-unit housing, industrial, retail, restaurant, commercial office, and municipal ventures.

We have been in business since 1939, is headquartered in Grand Rapids with an office in Detroit, MI, and have an incredible mix of long-term employees to go with a dynamic group of younger team members interested in the growth opportunities we offer.

Our Mission is to be the leader of the construction process, providing value and building trust. We are a high performance customer service company, excelling in planning and pre-construction. We simplify the complexities of construction.

Wolverine employees are professionals who work individually and in teams to provide the best customer service and workmanship possible. Ideal candidates are motivated, reliable, organized, innovative, self-sufficient, have a high sense of urgency and are eager to learn and share knowledge.

WOLVERINE

PROBLEM SOLVER

TACKLING TIME CONSTRAINTS

We understand the importance of completing every project in minimal time to maximize sales for the owner. We work with our clients to identify a project's critical path tasks and establish a schedule that focuses on getting operations up and running as soon as possible.

MANAGING YOUR MULT-SITE ROLL-OUT PROGRAMS

Wolverine has a dedicated team of experienced project and program managers that can offer support for both regional and national rollout programs. We have developed a total administrative and construction process especially suited to the demands of today's restaurant market. Wolverine will ensure your rollout projects are organized and on track – as well as guaranteeing that final implementation is complete, correct and brand-appropriate.

WE GO WHERE YOU GO

Wolverine not only has the manpower but the strong team communication expertise to manage multiple site locations concurrently. Our team has experience working over several states across the nation for our clients. We specialize in the latest technology in building to deliver construction contracts in unprecedented time and superior quality no matter where the project.

ON TIME ON BUDGET

We approach your projects with the minimization of cost and delivery time in mind. Our team of experts will closely work with you to achieve maximum levels of efficiency and cost controls.
